CFR

Sunday

Dear Evelyn and Eric,

Thank you for taking the time  
to show me your collections and  
entertain me during my visit to ST. Louis.  
Bob gave me a great deal of  
pleasure.

By way of thanks, I am repeating  
in writing some ideas we discussed for  
the American Numismatic Society and the  
Smithsonian:

- 1) Create a joint committee to explore  
partnership options
  - 2) craft a partnership to share a  
New York site in a suitable location.
  - 3) suggest splitting responsibilities  
for staff and site in New York
  - 4) Build political support inside SI  
(Board of Regents) and outside (Congress)
- I hope our discussion proves helpful.

Fondly,  
Cini Field
